A Most Modern Movie Night for amfAR and DMA

Robbie & Nancy Briggs, Frank Aldridge

The clever TWO x TWO party planners are masters of reinvention. Take, for example, the Movie Night party benefitting amfAR and the Dallas Museum of Art, held just days before the TWO x TWO Gala. Hosts **Cindy and Howard Rachofsky**, TWO x TWO director **Melissa Meeks**, DMA curator **Jeffrey Grove** and New York gallerist **Simon Preston** staged the event in the backyard of the Rachofsky House—a popcorn machine, candy bar and a projector screen reeling the cinematic works of video-projection artist **John Gerrard** were all on hand. Without fail, the social contingent turned out for this artful night at the movies: 2011 TWO x TWO co-chair **Gary Tigges**, **Amy** and **Vernon Faulconer**, **Jenny** and **John Kirtland**, **Wynne** and **Perry Moore**, **Robert Wiley** and **Becky Niederstadt**. *Christina Geyer*
