MIDWAY MOD

Kim Dawson guys made hunky carneys as they manned Midway games at "Art Fair," this year's Two x Two First Look party at the Rachofsky House. Angie Barrett and Brian Bolke co-chaired the 10th-annual bash benefiting amFAR, which drew a cooler crowd than its sister fair (sorry Big Tex). The Polyphonic Spree revved up the crowd with a performance, complete with a fireworks display. Guests sampled the food booths with fair fixins including Charlie Palmer's lobster corn dogs, fried green tomatoes, white truffle popcorn and candied apples. —Janie Donosky Condon
